PRODUCTS PTY LTD

Timeless Quality, Renowned Service

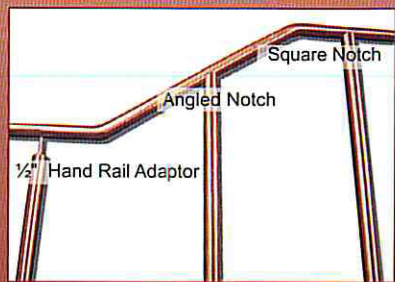

Tube Bends for General Purpose Applications

Manufactured from ASTM A554
Stainless Steel T304 & T316

Also available
end caps,
base & cover
sets, Flanges,
Wall mounts.

Example - 50 OD Tube

Note: ASTM A554 Tube for structural, architectural and non pressure applications. Fittings manufactured from this tube are suitable only for decorative applications.
e.g. Balustrading, Grabrails, Exhausts, etc.

Carrington Products are a leading tube & pipe bending, engineering, manufacturing & distribution company. Over 60 years in the tubing industry, we have an extensive range of machine capabilities with one of Australia's largest range of bending tools along with an extensive range of tubular products and accessories for applications throughout most industries.

Please contact us for more information.

Catalogues available.

- Custom Bending
- Plumbing Range
- Stainless Steel
